City of Baraboo Response to Supreme Court Ruling

As most are aware, the Wisconsin Supreme Court struck down most of Emergency Order #28 - the State of Wisconsin’s Safer at Home order.

The Sauk County Public Health Department, which is the City’s Health Department, is asking Sauk County residents to voluntarily comply with some key components of the former Safer at Home Order:

➢ Physical distancing – maintain at least 6 feet between yourself and others;
➢ Do not congregate in groups larger than 10 people without physical distancing between groups;
➢ Wash your hands frequently;
➢ Disinfect frequently touched surfaces.

City of Baraboo officials encourage compliance as well!

Further, City of Baraboo officials strongly encourage businesses to follow the Wisconsin Economic Development Corporation (WEDC) Guidelines when creating their reopening plans. Those guidelines are located: https://wedc.org/reopen-guidelines/.

For the City of Baraboo:

• The City Municipal Building will reopen effective Friday, May 15, 2020 under regular office hours of 7:30 a.m. - 4:30 p.m.
• The Civic Center will reopen Friday, May 15, 2020.
• All City parks are reopened and the Zoo will open Friday, May 15, 2020.
• The City pool remains closed for the 2020 season.
• The Baraboo Public Library will continue to offer curbside delivery only until further notice.
